

YOUR ACCOUNT MESSAGES (CONTINUED)

Your AutoPay amount will be reduced by any payments or merchant credits that post to your account before we process your AutoPay payment. If the total of these payments and merchant credits is more than your set AutoPay amount, your AutoPay payment for that month will be zero.

You have one or more balance(s) with APR expiration dates, as shown in the Interest Charge section. These APRs will continue through the expiration dates shown in the Interest Charges section.
